

TANK DEGASSING OXIDIZER Systems

**NOBODY MAKES THEM
MORE POWERFUL !**

SOIL-THERM has been building tank degassing oxidizer systems since 1990. And now, we're introducing our most powerful degassers ever! Our latest 2020-TD direct-fire oxidizer systems can process up to 16,500 pounds of VOC's per day. Their lower fuel usage, faster destruction time, and touch-screen operating features will make your degassing jobs easier and more profitable than ever before.
