

# SOIL-THERM Performance Technology

## WHEN FASTER MEANS EVERYTHING!

SOIL-THERM provides the fastest remediation systems money can buy! SOIL-THERM gas fired systems use our direct-fire patented combustion technology (US Patent #7,270,539) that cleans your site faster and more efficiently.

If your contract is “Pay for Performance”, SOIL-THERM is the only choice! With our Remote Monitoring and Control technology, **ReMAC**, you will know how your system is performing any minute of the day, make adjustments, and optimize operation from anywhere in the world using your iPhone, iPad, or computer! Call SOIL-THERM for the ultimate in FAST performance equipment.
